RE: Governor Polis Executive Order

Dear Crescent View Academy Families:

Asalamu Alaikoom. On evening of Wednesday March 18, CVA received notification that Governor Polis signed an executive order closing Colorado schools through Friday, April 17, due to the coronavirus (COVID-19) crisis. At this time, and per this order, KG-10th students — would return to school on Monday, April 20. You can read the press release and executive order [here](#).

This extended closure raises an infinite number of questions about critical issues including high school credits, grades, graduations, E-Learning platforms and end of year activities.

Our CVA leadership team believes this is the right decision for the well-being of our community. However, the reality of a weeks-long of E-Learning at home presents lots of challenges. Inshallah, Mrs. Mariam Sabr will be hosting a **Virtual Parent Session** to help further assess and support parents as home next week.

The CVA Administration and Board of Directors will be meeting Monday, March 23 to further discuss the guidance and end of year plans. Our Administration has been meeting daily to deal with the ever-changing situation and make decisions that best protect the health and well-being of our students, staff, families and communities. E-Learning platforms will for students and families will begin Monday, March 23rd.

As believing Muslims, we should continue making supplications to Allah to help ease our situation and have mercy on all of humanity!

Please watch for additional specific information via phone, email and text during the coming days.

Jazakum Allahu Khairan,

Mr. Iyad Wazwaz
